## **May 4 Webcast: A real-world DB2 for z/OS encryption success story at Verizon Wireless**

Broadcast date: May 4, 2010, 11 a.m., Eastern Daylight Time

Developed for: IT managers, DBAs and managers, application programmers and managers, enterprise and IT architects, systems programmers, security officers, CTOs

Technical level: Intermediate

[http://www.ibm.com/software/os/systemz/telecon/4may/index.html?S\\_TACT=100GU31M&S\\_CMP=5x5](http://www.ibm.com/software/os/systemz/telecon/4may/index.html?S_TACT=100GU31M&S_CMP=5x5)

## **April 27 – 29 Workshop: zBasics – 3 day program LAST DAY TO REGISTER: 4/23**

Location; Vicom Infinity - NYC

Cost; \$1,800 per person – lunch included

Enrollments and questions: Susan Scanlon: [susan.scanlon@marist.edu](mailto:susan.scanlon@marist.edu) 845 575 3588

# IBM's System z Solution Editions (SEs):

*IBM continues to grow the System z platform with new cost/purchase metric*

*<http://www-03.ibm.com/systems/z/solutions/editions/>*

- **Solution Edition for Linux**

- Customers may add to their System z server
- Customers may purchase Linux only server: Enterprise Linux Server (ELS)

- ***Solution Edition for Cloud Computing***

- *Built on SE for Linux with added automation and standardization*

- ***Both Linux Distribution Partners (Novell and Red Hat) have special SE offerings***

- ***Solution Edition for Application Development***

- ***Solution Edition for Websphere (z/OS)***

- ***Solution Edition for Chordiant (z/OS)***

- ***Solution Edition for Security (z/OS)***

- ***Solution Edition for GDPS (z/OS)***

- ***Solution Edition for SAP (z/OS)***

- ***Solution Edition for ACI (z/OS)***
